

Mr. Freddy Karyadi

Partner

Background Freddy Karyadi has over two decades of practising law in Indonesia and has been heavily involved in numerous complex cross border deals including *project financing, capital market (including offshore and local offerings, asset backed securities, corporate actions involving public companies), M&A, investment, employment and dispute settlement/bankruptcy.*

Freddy was one of the pioneers who focused on the digital industry and has handled many transactions involving technology and **fin-tech/health-tech/edu-tech/TMT** companies, from early stage fund raising, integration, exit, public offering preparation to regulatory compliance. Freddy has represented independent power producers (**IPP**), giant **ECA**s and commercial banks for various electricity sector financing. Freddy's clients vary from multinational to start-ups which span across a wide range of industries including natural resources, energy, financial institutions (including multi-finance and insurance), health-care, private equity funds, and property. With a strong knowledge of legal, commercial, **TAX** and accounting issues that these industries encounter, Freddy can quickly identify the key issues and offer practical business oriented legal **solutions**.

On litigation matters, Freddy handled various suspensions of payment and bankruptcy proceeding of various industries including aviation, shipping, and mining sectors.
