

Ms. Lola Joenoës

Senior Associate

Background Lola Joenoës is a senior associate at ABNR, having joined the firm in 1997. She graduated from University of Indonesia, majoring in civil law, and also graduated from the notarial science program of the same university. From 1991 to 1995, she worked in Jakarta for a major foreign bank as an in-house lawyer in its corporate banking group. She earned her LLM degree in 1996 from the American University, Washington D.C., majoring in international business law.

Lola has assisted clients in a variety of project finance assignments in Indonesia, especially for security arrangements, banking & finance, and general corporate matters.

In **project finance**, she has extensive experience of working on the financing and security arrangements of many of the largest power projects in Indonesia in recent years, including the Paiton Expansion project, Tanjung Jati B Expansion project, Sarulla project, Banten IPP project, Cirebon and Cirebon Expansion projects, Tanjung Jati B 5&6 project, Central Java Power Project, the 200 MW Kalsel coal-fired power plant, the Wampu and Semangka hydro power projects, the Rantau Dedap and Muara Laboh geothermal projects.
