

COUNSELLORS AT LAW

Mr. Amir Angkasa

Associate

Background Mr. Amir Angkasa joined ABNR as Patent Officer in February 1996. He graduated from Trisakti University in 1990, majoring in mechanical engineering. He became an associate of ABNR in February 1999, soon after he earned his law degree from Tarumanagara University, where he majored in Business Law. Before joining ABNR, he worked for Amroos Law Consultant (Jakarta) as Patent Engineer. He has been intensively involved in the prosecution of patent, trademark and industrial design applications as well as in patent litigation. He has handled patent applications in various fields of industry and has assisted companies in the filing of applications outside Indonesia. He is also a lecturer on the subject of Intellectual Property Rights in the Faculty of Law, Tarumanagara University. He is a licensed advocate and a registered intellectual property attorney. In 2006, he has been appointed as a patent deputy of Indonesia Intellectual Property Attorney Association.
