

## Gladyne Mesepey

Associate

### Background

Gladyne is an associate whose main practice areas are **banking & finance**, **real estate**, and **corporate/M&A**.

In **banking and finance**, she assists both domestic and multinational companies with compliance and day-to-day legal matters and has been involved in multiple projects and transactions involving financial institutions such as insurance companies, banks, asset management companies, and fintech startups.

In **real estate**, she advises on all aspects of Indonesian real estate law, including land acquisition, licensing, and spatial planning. She has participated in a number of asset acquisition transactions, and related legal due diligence. Her recent work includes assisting with the acquisition of commercial property in Senopati district, South Jakarta.

In **corporate/M&A**, she has been involved in due diligence investigations into several share transfers and M&A transactions and has assisted with the establishment of foreign investment companies, as well as general corporate matters.

Gladyne was also a member of the ABNR team that assisted PT Kereta Api Indonesia (KAI) on their recent issuance of conventional and Islamic bonds under a shelf registration, which consists of IDR 700 billion of conventional bonds and IDR 300 billion of Islamic bonds.

Gladyne graduated *cum laude* from Parahyangan Catholic University in 2022. She previously interned at Bank Indonesia (Indonesia's central bank), and at an edutech start-up company.
