**Arian Hasyim**

Associate

#### Background

Arian is an associate at ABNR whose practice focuses on **banking & finance**, **corporate/mergers & acquisitions (M&A)**, and **insurance & reinsurance**. He regularly advises both domestic and international clients on complex regulatory frameworks, licensing requirements, and transactional matters across these sectors.

In **banking & finance**, Arian has conducted numerous legal due diligence investigations involving commercial banks, finance companies, securities firms, and insurance companies. He frequently advises multinational financial institutions on licensing obligations, fit and proper testing, and operational compliance matters. His recent experience includes advising a US-based global commercial bank on its Indonesian operations and services portfolio.

In **corporate and M&A**, Arian has been involved in major transactions across the financial services sector, supporting legal due diligence and transactional documentation. Notable work includes assisting in the acquisition of an Indonesian finance company by a prominent Japanese financial group, and the acquisition of an Indonesian commercial bank by a major South Korean conglomerate.

Arian also maintains a strong focus on **insurance & reinsurance**, where he advises leading insurers and reinsurers on policy development, revisions to product terms, and regulatory approval processes with the Financial Services Authority (OJK). He regularly reviews policy wordings to ensure alignment with Indonesian regulatory requirements and contributes to international legal publications, including the Indonesia chapter of *Lexology Panoramic – Insurance & Reinsurance 2025*.

Arian earned his law degree from the University of Indonesia in 2022, majoring in Business Law.
