

**Danny Tanuwijaya**

Senior Associate

#### Background

Danny is a senior associate focusing on **project finance** and **real estate**. He graduated *cum laude* in 2011 from Parahyangan Catholic University, Bandung. He then enrolled in the master of notarial science program at Padjadjaran University, Bandung, from which he graduated *cum laude* in 2016. He is recommended for Real Estate by *The Legal 500 Asia Pacific*.

In **project finance**, he has advised lenders on a long list of power project financings, including on Indonesian security interests. He has worked on some of Indonesia's largest power projects, including the Tanjung Jati B Units 1-4 project, Sarulla geothermal project, Semangka hydroelectric project, Central Java PPP project, Cirebon Expansion project, Tanjung Jati B Units 5 & 6 project, and the Muara Laboh geothermal and Rantau Dedap geothermal projects.

In **real estate**, Danny advises clients on many aspects of Indonesian land law, as well as real property-related financing. He has assisted leading UK-based and China-based developers on land issues for the development of their respective Indonesia data centers.

He also advised a China-based manufacturer on land acquisition through its Indonesian subsidiary, and a Korean investor on the development of an industrial complex in Indonesia.

Danny is a contributor to the Indonesia chapter of Thomson Reuters' annual *Commercial Real Estate Global Guide* (previously known as the *Corporate Real Estate Global Guide*).
