

Jason Edgar

Associate

Background

An associate at ABNR, Jason focuses on **projects & energy** and **corporate/mergers & acquisitions (M&A)** matters.

In **projects & energy**, he has worked on a number of legal due diligence investigations involving power plant financing, while in **corporate/M&A** he has been involved in a wide variety of due diligence processes and acquisition transactions, as well as general corporate matters.

In addition, he has represented clients in arbitration proceedings, and has worked on a series of aviation transactions, including aircraft leasing.

Jason graduated from Parahyangan Catholic University (Unpar) in 2021 and joined ABNR as a trainee associate in December 2022, becoming an associate shortly thereafter. Prior to joining ABNR, Jason practiced as a junior associate at a prominent dispute resolution-focused Jakarta law firm.
