

**Kenny Poltak**

Associate

**Background**

Kenny joined ABNR as a trainee associate in November 2021 and was made an associate shortly thereafter. He graduated from the University of Indonesia in 2020, majoring in private international law.

At ABNR, Kenny's key focuses include **projects & energy**, **banking & finance** and **foreign direct investment (FDI)**.

In **projects & energy**, he is part of a dedicated ABNR team that regularly advises clients on the development and financing of various electricity-related and other infrastructure projects in Indonesia.

In **banking & finance**, he has worked on several offshore financing transactions, primarily assisting with loan-security issues.

In **FDI**, he has assisted numerous investors across multiple sectors with the establishment and expansion of their businesses in Indonesia. He advises on a variety of regulatory and compliance matters, including business-line classifications, and associated licensing and reporting obligations.

In addition, Kenny has gained valuable legal and regulatory experience through his participation in legal due diligence investigations for general compliance purposes, and as part of M&A deals in a variety of sectors.
