Michael Gerin

Associate

Background

ABNR associate Gerin's professional focus spans **Shipping, Finance, Foreign Direct Investment (FDI), Mergers and Acquisitions/General Corporate Matters, and Litigation.**

In **Shipping**, Gerin advised a mining group, facilitating the establishment of its own port to streamline cargo delivery in support of its business activities.

In **Financing**, he represents creditors and borrowers, facilitating the provision or acquisition of loan facilities. This included Gerin's representation of a well-established mining group to secure a USD 480,000,000 loan from syndicated creditors to finance a smelting project in East Kalimantan.

In **FDI**, Gerin has helped to facilitate foreign multinational investors to expand their footprint in Indonesia. This has involved helping them to establish a legal presence and guidance through the regulatory maze.

In **Mergers and Acquisitions**, Gerin has actively participated in a variety of legal due diligence processes, projects, and transactions, including support to Geo Energy Group. He also provides valuable assistance to clients in a range of general corporate matters, such as capital injection, annual shareholder meetings, and amendments to articles of association. His litigation work has involved helping clients navigate general civil disputes and employment-related matters.

Gerin joined ABNR in November 2022 as a trainee associate, progressing to associate. He graduated from Padjadjaran University, Bandung, law school with a specialization in Criminal Law.
