

Beverly Laza

Associate

Background

Beverly is an associate at ABNR whose primary practice areas include **technology, media and telecommunications (TMT)**, **capital markets**, and **corporate/mergers and acquisitions (M&A)**.

In the **TMT sector**, she advises sector-leading clients and major digital platforms on a broad range of regulatory and commercial matters, including data privacy and protection, e-commerce, online gaming, advertising, and broader technology services compliance in Indonesia.

In **capital markets**, Beverly has supported both domestic and international clients in initial public offerings and debt securities issuances. She was recently part of the ABNR team that conducted legal due diligence for the issuance of IDR 1 trillion in conventional and Islamic bonds by Indonesia's state-owned railway operator, PT Kereta Api Indonesia (Persero).

In **corporate/M&A**, she has worked on multiple due diligence and transactional matters across a range of sectors, including trade, financial services, commercial banking, and securities. Her recent work includes assisting in the acquisition of an Indonesian commercial bank by a South Korean conglomerate, as well as the acquisition of a multi-finance company by a Japanese financial services group.

Beverly graduated cum laude from Pelita Harapan University, Surabaya, in 2019, majoring in business law. Before joining ABNR in December 2022, she practiced at a leading international law firm in Jakarta, where she focused on general corporate and M&A.
