

Nesya Ashari

Associate

Background

Nesya joined ABNR in November 2021, prior to which she was employed as an associate at another prominent Indonesian law firm, where she focused on banking & finance and capital markets matters. She graduated *cum laude* from Gadjah Mada University in Yogyakarta in 2021, majoring in business law. At ABNR, she focuses on **mergers & acquisitions (M&A), banking & finance, capital markets, and foreign direct investment (FDI)**.

In **M&A/banking & finance**, she has been involved in variety of acquisitions, primarily involving financial institutions. Her recent projects include the acquisition of a publicly listed consumer finance company by a South Korean financial services group, and the acquisition of a securities company and an investment manager by a South Korean conglomerate.

In **capital markets**, she has been involved in a wide range of transactions, including initial public offerings, rights issues, and tender offers. She also prepared legal advisories for both domestic and international clients in on capital market-related matters.

In **FDI**, she has advised on the establishment, licensing, and compliance requirements of foreign investment companies in a variety of industrial and economic sectors.
