Muhammad Irsan

Associate

Background

Irsan's main areas of practice encompass **banking and finance, project finance** and **energy & mineral resources.**

In **banking and finance**, he has helped advise on a series of both onshore and offshore financings, including for data center facilities in West Java province. He also represented a group of onshore lenders, in their USD522-million financing to an infrastructure contractor state-owned company.

He assisted in advising a consortium of lenders comprising onshore and offshore lenders in their USD565 million financing for phase 2 of the development and construction of an aluminium smelting facility by PT Well Harvest Winning Alumina Refinery in Ketapang, West Kalimantan.

In **project finance**, Irsan was a member of ABNR teams that advised on a variety of projects, including the Karian Serpong Water Supply Project, South Tangerang; the Blawan Ijen 110MW Geothermal Power Plant, the Rantau Dedap Geothermal Project, and a range of renewable energy projects across the country.

He also worked on other projects, among others, the USD 4.5 billion Inter-city High-Speed Rail Project, the issuance of up to USD1.2 billion in mandatory convertible bonds by a state-owned company that engages in infrastructure financing (as part of the Covid-19 National Recovery Program) to part fund the USD9.8-billion restructuring of national flag carrier, and a USD14 million financing deal for a mini hydro power plant in Central Sulawesi.

In **energy & mineral resources**, he assisted in advisingmining and battery state-owned enterprises on an integrated battery investment being developed in Indonesia by a Chinese company and a consortium of Korean and Chinese companies, and also helped advise the Indonesian representative of a global mining company on its equity investment in a joint venture with a Chinese battery minerals producer and an American automaker company, to develop the Pomalaa Block High-Pressure Acid Leaching (HPAL) Project.

Irsan joined ABNR as an associate in May 2023 from another leading law firm in Jakarta. He graduated *cum laude* from Padjadjaran University, Bandung, in 2019, majoring in business law.
